ANNEXURE II
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
KREBS BIOCHEMICALS AND INDUSTRIES LIMITED
Kothapalli Village, Kasimkota Mandal,
Anakapalli, Visakhapatnam,
Andhra Pradesh – 531031

I had conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by KREBS BIOCHEMICALS AND INDUSTRIES LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under to the extent applicable;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under except:

Delay in payment of Listing Fees to BSE Limited and The National Stock Exchange of India Limited.

During the period under review, BSE Limited has imposed a penalty of Rs. 3,30,143/- for delay in filing quarterly submissions. The quarterly submissions relate to the financial year 2013 – 14 and 2014 – 15 and are covered under the provisions of erstwhile Listing Agreement.

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings

During the period of our audit there were no activities done by the Company under the aforesaid regulations.

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

During the period of our audit there were no activities done by the Company under the aforesaid regulations.

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

The Company has complied with regard to interest transfer of shares between the promoters i.e., 179,316 Equity Shares held by Dr. R. T. Ravi were transferred to Mr. Avinash Ravi. However, there was delay in the reporting.

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

During the period of our audit there were no activities done by the Company under the aforesaid regulations.

(d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

(e) The Securities and Exchange Board of India (Share Based Employee Benefit Schemes) Regulations, 2014;

(f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

During the period of our audit the Company has not issued any Debt Securities under these regulations. Hence the reporting of compliance under these regulations does not arise.

(g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

During the period of our audit the Company has not delisted its Equity Shares from any of the exchanges, where the shares are listed. Hence the reporting of compliance under these regulations does not arise; and

(i) The Securities and Exchange Board of India (Buy back of Securities) Regulations, 1998;

During the period of our audit the Company has not done any buy back of its securities. Hence the reporting of compliance under these regulations does not arise;

(vi) Other laws specifically applicable to the Company are:

a. Pharmacy Act, 1948;

b. Drugs and Cosmetics Act, 1940;

c. Indian Boilers Act, 1923

d. Factories Act, 1948

- e. Water (Prevention and Control of Pollution) Act, 1974
- f. Air (Prevention and Control of Pollution) Act, 1981
- g. The Trade Union Act, 1926
- h. Industrial Disputes Act, 1947
- i. Minimum Wages Act, 1946
- j. Payment of Bonus Act, 1965

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.

Since only the Secretarial standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) have been notified and effective from 1st July, 2015, the Company has complied with the said Standards.

- (ii) The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [except for Regulation 34 (3) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the compliance of which has been certified by the Statutory Auditors relating to Corporate Governance] except for:

- Not complying with the requirement of maintaining 100% of promoters holding in demat form.
- Delay in obtaining listing and trading approval for the conversion of 680,000 Warrants into 680,000 Equity Shares done on 28th May, 2016 from National Stock Exchange of India Limited.
- Delay in payment of listing fees to BSE Limited and The National Stock Exchange of India Limited.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Developments:

Global:

Pharmaceutical Industry worldwide is undergoing huge transformations. Manufacturing companies are confronted with enormous challenges due to high market growth, changing regulations and progressing digitization.

New technology absorption and implementation and robust quality systems will increasingly differentiate. Higher investment requirements for quality and regulatory standards compliance along with gestation periods will be an entry barrier of small companies and significant hurdle for medium sized companies. Consolidation and strategic partnerships will result from such a landscape.

Indian Pharma Sector:

The Indian pharma industry which is expected to grow over 15% per annum between 2015 - 2020 will outperform the global pharma industry which is set to grow at an annual rate of 5% between the same period. The market is expected to grow to USD 55 Billion by 2020 thereby emerging as the sixth largest pharmaceutical market globally by absolute size. The Indian pharmaceutical exports are expected to grow by 30% over next three years to reach USD 20 billion by 2020.

The implementation of Goods and Services Tax (GST) is expected to be a game changer for the Pharma industry. It is expected to result in an efficient supply chain management which is expected to reduce the cost considerably.

Strengths & Opportunities:

The strategy of building skillsets and infrastructure in niche areas of fermentation, bio catalysis and chemistry allows the company to pursue products, groups and partners in the niche segment.

Access to Ipca marketing reach and also ability to leverage the forward integration possible with their finished dosage capabilities will allow for an exciting opportunity. Smaller operation size allows for certain nimbleness in exploiting market opportunities.

Risks, Concerns & Threats:

The long gestation periods required to realise commercial sales can put pressure on the balance sheet. With the strong partner this is reasonable mitigated in our case.

Quality and regulatory knowledge building in the Company is a slow and difficult process essential for long term success of the Company. A comprehensive plan is being put in place to achieve this.

Alignment of interests of the partner along with the company is of paramount interest. An open and transparent relationship is being cultivated to achieve this.

Company infrastructure:

Krebs, having its Registered Office at Kothapalli (V), Anakapalli, Vishakapatnam, Andhra Pradesh and corporate office at Hyderabad, has two multi-purpose manufacturing facilities, Unit – I in Nellore and Unit – II in Anakapalli (Vizag) with all support infrastructures like Utilities, environment management and safety systems.

Performance of the company:

During the year under review your company recorded revenue of Rs. 3371.91 lakhs compared to Rs.353.02 lakhs in the previous financial year 2016-17.

Internal Control Systems and their adequacy:

The Company has in place adequate internal control systems, which commensurate with its size, nature of business and complexity of its operations and are designed to provide a reasonable degree of assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguard for assets, internal control over financial reporting, and compliance with applicable laws and regulations. Internal audit function evaluates the adequacy of and compliance with policies, plans, regulatory and statutory requirements.

The Internal Auditors directly report to the Board's Audit Committee, thus ensuring the independence of the process. It also evaluates and suggests improvement in effectiveness of risk management, controls and governance process. The Audit committee and Board provides necessary oversight and directions to the Internal audit function and periodically reviews the findings and ensures corrective measures are taken.

Discussion on Financial Performance with respect to Operational Performance:

The Financial statements are prepared under the Historical Cost Convention in accordance with Indian Accounting Standards and the Provisions of the Company's Act, 2013 and other standards issued by the Institute of Chartered Accountants of India. All Incomes and Expenditure having a material bearing on the financial statements are recognized on accrual basis. The management accepts responsibility for the integrity and other objectivity of these financial statements as well as various estimates and judgments used therein

Capital:

The Authorized Share Capital of the company is Rs. 20.00 crores divided in to 2,00,00,00,0 (Two Crore) equity shares of Rs.10.00 each of which issued, subscribed and paid up capital is Rs.13.74 crores divided in to 1,37,44,286 Equity shares of Rs.10/- each. There is no other class of shares.

Reserves:

The reserves of the company decreased from Rs. (1226.74) lacs to Rs. (3152.35) lakhs due to increased losses during the year.

Secured Loans:

Material developments in Human Resources:

The Company very well recognizes the importance of the employee work force and provides excellent growth opportunities, training and development and competitive compensation packages to attract and retain with the Company the best talents available in the industry and will continue to do so upon revival of operations.

Safety and Environment:

The operations of the company's plants are in conformity with good industrial safety practices.

Regular Hazards and Risks Analysis were conducted at both the plants as part of the on-going Safety Policy. The management takes into consideration the welfare of the employees and also effect on the surrounding community at large. Norms and Standards for effluents treatment and disposal are prescribed by the Pollution Control Board and are complied with.

Cautionary Statement

In addition to historical information, this annual report contains certain "forward looking statements" within the meaning of applicable securities laws or regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global economy, global and Indian demand supply conditions, increased installed capacity by competitors, finished goods prices, raw materials availability and prices, cyclical demand and pricing in the Company's markets, changes in government regulations, tax regimes, besides other factors, such as litigations and labour negotiations.

The estimates and expectations are based on the historical facts and perception of future possibility as envisaged by the management. As known to everyone, the entire business environment is never static. Unexpected changes and unforeseen developments are not rare. The global trend is now prevalent and any incidents in the world market will have an effect on the operations of your company. While taking all precautions to be realistic and practical in making presumptions for the future, the management would like to advise that the statements may be read in proper perspective depending upon such developments and their possible effect on the Company's operations and activities.

INDEPENDENT AUDITOR'S REPORT

To the members of,

M/s. KREBS BIOCHEMICALS & INDUSTRIES LIMITED,

Report on the Financial Statements:

We have audited the accompanying financial statements of M/s. KREBS BIOCHEMICALS & INDUSTRIES LIMITED, which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the statement of Cash Flows for the year ended 31st March, 2018 and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS Financial Statements give the information required by the Act in the manner so required and give a

true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at March 31, 2018, its financial performance including other comprehensive income, its cash flows and the statement of changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the said Order.
- 2 As required by section 143(3) of the Act, we further report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the applicable accounting Standards specified under Section 133 of the Act, read with relevant rules there on;
 - e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us
 - i. The Company has pending litigations which will have an impact on its financial position in the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of KREBS BIOCHEMICALS & INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of

Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of KREBS BIOCHEMICALS & INDUSTRIES LIMITED (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable

assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES to the Financial Statements for the Year Ended 31st March, 2018

1 Corporate information

Krebs Biochemicals & Industries Ltd has been incorporated on 2nd December 1991. At present the company is engaged in the business of manufacture of active pharmaceutical ingredients. The company has two manufacturing facilities one at Regadichelaka, Nellore (Dist.) and another one at Kothapalli Village, Kasimkota Mandal, Vishakapatnam (Dist.), Andhra Pradesh, India.

Significant accounting policies

2 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared to comply with the Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 (Companies Indian Accounting Standard Rules, 2015) and other relevant provisions of the Act.

2.1 Historical Cost Convention

The financial statements have been prepared on the historical cost basis, except for Certain financial assets and liabilities that is measured at fair value.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.2 Current and non-current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when:

It is expected to be realised or intended to be sold or consumed in normal operating cycle or

It is held primarily for the purpose of trading or

It is expected to be realised within twelve months after the reporting period, or

It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

It is expected to be settled in normal operating cycle or

It is held primarily for the purpose of trading or

It is due to be settled within twelve months after the reporting period, or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

2.3 Inventories

a) Raw Materials, Work-In-Progress and Finished Goods are valued at lower of the cost or net realisable value. Cost of raw materials comprises cost of purchase. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

b) Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

c) The basis of determining the cost is

Raw Materials	:	Weighted average cost
Stores and spares	:	Weighted average cost
Work in process and finished goods	:	Material cost plus appropriate share of labour and related overheads

2.4 Property plant and equipment:

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. Estimated useful life of the assets are as follows:

Factory Buildings	30 years	Factory Equipment	20 years
Non Factory Buildings	60 years	Lab Equipment	20 years
Plant & Machinery - Pharma Division	20 years	R & D equipment	20 years
Plant & Machinery - Power Plant	40 years	Office Equipment	5 years
Boilers	20 years	Furniture & Fixtures	10 years
Electrical Installations	20 years	Vehicles	8 years
D G Sets	20 years	Computers	3 years
Effluent Treatment Plant	20 years		

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.5 Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of GST, returns, trade allowances and rebates.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. This coincides with the passing of possession to the buyer.

2.6 Expenditure

Expenses are accounted on accrual basis and provision is made for all known losses and liabilities.

2.7 Intangible fixed assets

Product development expenses that are directly attributable to development and testing of new products are recognised as intangible assets when the expenditure attributable to the product during its development can be reliably measured. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.8 Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.9 Interest Free Sales Tax Loan:

The sales tax collected on domestic sales of Company's products is treated as interest free sales tax loan from the AP State Government in accordance with the State Government incentive scheme. The amount credited to the loan account is based on the amounts collected as sales tax. The liability is measured at its fair value considering the discounting rate as 8% and is shown at its fair value in statement of assets and liabilities and the gain/(loss) is accounted as Other Comprehensive Income.

2.10 Foreign Exchange Transaction:

All the Foreign Exchange transactions entered into during the current financial year are accounted at the exchange rate prevailing on the date of documentation/invoicing. Foreign Exchange Fluctuation on transactions entered into during the current financial year and received/paid during the year are accounted in the current financial year. The outstanding foreign currency debtors are restated at the Foreign Currency Rates prevailing at the end of the year and the Foreign Exchange Fluctuation on the same is also recognised at the end of the year in conformity with Indian Accounting Standards and foreign currency debtors which are doubtful at the end of the year are not restated at the foreign currency rates prevailing at the end of the year.

2.11 Employee Benefits:

Contribution to "Defined Contribution Schemes" such as Provident Fund is charged to the profit and loss account as incurred. Provident Fund contribution is made to the Government Administered Provident Fund. Company has no further obligation beyond this contribution charged in financial statement.

Company also provides for Retirement Benefits in the form of Gratuity. Such Benefits are provided for, based on valuation, as at the Balance Sheet date, made by independent actuaries.

Short term employee benefits including leave are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related services are rendered.

2.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

2.13 Financial Assets & Financial Liabilities

Initial recognition and measurement

All financial assets and liabilities are recognised initially at fair value.

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset is treated as cost of acquisition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

2.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit for the year attributable to equity shareholders and the weighted average number of Equity Shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15 Taxes on income

"Current Tax:" The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities." "Deferred Tax : "Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively. For items recognised in OCI or equity, deferred/ current tax is also recognised in OCI or equity. "MAT Credit" Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified

period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilise the credit is recognised in the Statement of Profit and Loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

2.16 Impairment of assets

Assets subject to amortization/ depreciation are tested for impairment provided that an event or change in circumstances indicates that their carrying amount might not be recoverable. An impairment loss is recognized in the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher between an asset's fair value less sale costs and value in use. For the purposes of assessing impairment, assets are grouped together at the lowest level for which there are separately identifiable cash flows (cash-generating units). Nonfinancial assets other than goodwill for which impairment losses have been recognized are tested at each balance sheet date in the event that the loss has reversed.

2.17 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.18 R & D Expenditure

Revenue expenditure on research and development is charged to Statement of Profit and Loss in the year in which it is incurred. Capital expenditure on research and development is considered as an addition to property, plant & equipment/ intangible assets.

2.19 Dividends

Provision shall be made in the accounts for the dividends payable by the company as and when recommended by the Board of Directors, pending approval of the share holders at the Annual General Meeting.
